**Join The Club:** Join the camaraderie and fun competition of the Men's Club. Register by returning the attached application along with the dues to the Fox Bend Golf Shop.

**Play In Events:** An established CDGA handicap is required. Most events will be played in your own tee time. However, advance sign-up is necessary for certain team events. All players may play the white, gray, or black tees at their discretion. All handicaps will be adjusted to the appropriate tees.

**Scoring Policy:** Submit a legible and accurate Men's Club scorecard for each event. All scorecards shall be turned into the ballot box in the Fox Bend Golf Shop at the completion of the round. Provide only GROSS scores on the scorecard. If a score for a hole is illegible, a triple NET bogey will be assumed. Scorecards that do not contain full last names (with first initial if others share the same last name), tees utilized, date played, or that are not legible are subject to being thrown out (an attempt will be made to clarify any scorecard issues before throwing out a scorecard). Players receive a minimum of 10 points for turning in their scorecard. At the end of the round, you should sign your scorecard and have it attested by at least one of your playing partners. Your course and playing handicap will be calculated in accordance with the USGA Rules of Handicapping. In addition, if an individual handicap is out of norm the committee will access each occurrence and apply the appropriate corrections.
