#### **Pace of Play Policy**

According to USGA Rules of Golf: Rule 6-7. Undue Delay; Slow Play: "The player must play without undue delay and in accordance with any pace of play guidelines that the Committee may establish. Between completion of a hole and playing from the next teeing ground, the player must not unduly delay play."

**FIRST INFRACTION:** If the group falls more than a hole behind, they will be given a "warning" and put "one on the clock" until appropriate position is accomplished, while being monitored by an official. **SECOND INFRACTION:** If the group is deemed to be causing undue delay and not correcting their position, they will each be given a one-stroke penalty and the opportunity to correct their position while being monitored by an official. **THIRD INFRACTION:** If they fall further behind, a two stroke penalty will be assessed and they must correct their position. If players do not correct their position, they will be disqualified. The group will be assessed the penalty unless a certain player is deemed to have caused the delay by an official monitoring the situation.
