Reservations

Call or stop by the Golf Shop any week during the Co-Ed League season by 5:00pm on the Thursday prior to that Sunday's league play. Twosomes will be paired up at random. Tee times will be assigned by Fox Bend and posted online by 12:00pm each Sunday at foxbendgolfcourse.com/co-ed-league/.
You may also call the Golf Shop (630.554.3939) Sundays after 12:00pm for your assigned tee time.

PLEASE NOTE: Tee Time requests made before 5:00pm on Thursdays will have priority over those made after the deadline. It is each team's responsibility to sign up – we will not assume participation each week. Additionally, if there are specific twosomes/teams you would like to be paired with, please let us know and we will do our best to accommodate your request. Each week, on the first tee box, you will have the opportunity to sign-up for league play the following week.
