7. Tee Times                 4:20pm-5:30pm
8. 20 Points awarded per match during each week of competition, awarded as follows:  
1 point for low individual net/hole, 1 point for team low net/hole, 2 points for team low net/9 holes. **PLAYERS MUST FINISH OUT EACH HOLE!!!**
9. If only 1 player from a team plays, the opposing team automatically earns the 2 points for the team total. The single player will play against each players' net score of the opposing team. If each team is short a player, both teams forfeit the points for low team total.

10. Ben & Bob will determine how the ball will be played each week and also act as rules committee.

11. Teams may use a substitute player only if the substitute has an established certified CDGA Handicap.

12. A **mandatory** \$5 net skin game (cash payout) will be played each week, along with closest to the pins on par 3's. If no net skins are won, the skin pot will be divided between the proximity winners.

**NEW FOR 2022:** The weekly skins game and proxy cash will be collected at the beginning of the year (\$80) along with the league entry fee (\$30).

13. If your opposing team doesn't show, there will be a Blind Draw for a team in which you will compete against instead of playing against your handicaps. The minimum points that a team will earn due to their opposing team not showing is 11 points.

14. All participants will require a credit card to be on file to prevent no shows. If your team does not show both players will be charged a no-show fee of \$20 unless a team member has contacted the golf shop **prior to noon** of the day of play. If you need assistance finding a substitute the golf shop will try to assist if notified far enough in advance. *A team will not be liable as long as they have notified the golf shop prior to the deadline.*
